Description :

Prsentation de l'diteurKnitting one sock is fun and rewarding, but finishing its partner can become a chore that leaves well-intentioned knitters suffering from second sock syndrome. With this two-at-a-time technique you can easily finish a full pair of socks on the same day. Step-by-step photographs illustrate how to cast on and knit two socks together on one long circular needle, whatever the pattern or shape. Lonely, abandoned single socks are now a thing of the past!
