## Description :

Prsentation de l'diteurThis novella is about my experiences of living with someone who has Alzheimers. That person was my mam. It is about the highs and lows of that journey with some little tips along the way. I wrote it as a type of therapy when my mam passed away and I have to admit it helped a lot. Please understand I am not a professional writer which is evident throughout this book but if you can bear with me I would really appreciate it. I hope you enjoy reading it as much as I did writing it. Thanks Ruth xPrsentation de l'diteurThis novella is about my experiences of living with someone who has Alzheimers. That person was my mam.
