Prsentation de l'diteurA wonderful new mystery series that will let us see the horrors of World War I through the eyes of Bess Crawford, battlefield nurse.Margaret MaronReaders who cant get enough of Jacqueline Winspears novels, or Hester Latterly, who saw action in the Crimean War in a series of novels by Anne Perry, are bound to be caught up in the adventures of Bess Crawford.New York Times Book The critically acclaimed, New York Times bestselling author of the Ian Rutledge mystery series, Charles Todd once again spotlights World War I nurse Bess Crawford in An Unmarked Grave. Gripping, powerful, and evocative, this superb mystery masterwork unfolds during the deadly Spanish Influenza pandemic of 1918, as Bess

discovers the body of a murdered British officer among the many dead and sets out to unmask a craven killer. Presentation de l'diteur A wonderful new mystery series that will let us see the horrors of World War I through the eyes of Bess Crawford, battlefield nurse. Margaret Maron Readers who can't get enough of Jacqueline Winspear's novels, or Hester Latterly, who saw action in the Crimean War in a series of novels by Anne Perry, are bound to be caught up in the adventures of Bess Crawford. New York Times Book The critically acclaimed, New York Times bestselling author of the Ian Rutledge mystery series, Charles Todd once again spotlights World War I nurse Bess Crawford in *An Unmarked Grave*. Gripping, powerful, and evocative, this superb mystery masterwork unfolds during the deadly Spanish Influenza pandemic of 1918, as Bess discovers the body of a murdered British officer among the many dead and sets out to unmask a craven killer. Quatrième de couverture World War I nurse and amateur sleuth Bess Crawford matches wits with a devious killer in this exciting and suspenseful adventure from New York Times bestselling author Charles Todd In the spring of 1918, the Spanish flu epidemic spreads, killing millions of soldiers and civilians across the globe. Overwhelmed by the constant flow of wounded soldiers coming from the French front, battlefield nurse Bess Crawford must now contend with hundreds of influenza patients as well. However, war and disease are not the only killers to strike. Bess discovers, concealed among the dead waiting for burial, the body of an officer who has been murdered. Though she is devoted to all her patients, this soldier's death touches her deeply. Not only did the man serve in her father's former regiment, he was also a family friend. Before she can report the terrible news, Bess falls ill, the latest victim of the flu. By the time she recovers, the murdered officer has been buried, and the only other person who saw the body has hanged himself. Or did he? Working her father's connections in the military, Bess begins to piece together what little evidence she can find to unmask the elusive killer and see justice served. But she must be as vigilant as she is tenacious. With a determined killer on her heels, each move Bess makes could be her last.
