Madden's debut novel Back-up is the first in a series of three. Book two, Front Center and book three, Encore are both scheduled for release in early 2014. A.M. Madden is a wife, a mother, an avid reader of romance novels and now an author. In Back-up she aspired to create a fun, sexy, realistic romantic story. She wanted to create characters that the reader could relate to and feel as if they knew personally. A self proclaimed hopeless romantic, she loves getting lost in a good book. Using every free moment of her time while raising teen-age boys, A.M. Madden plans to continue writing and hopes for it to become a second career. A.M.
