## Description :

Prsentation de l'diteurPart 3 of Elements of ChemistryOne week. Manhattan apartment. Super-hot ex-boyfriend.Whats the worst that could happen?Its been nine months since Kaitlyn Parker has seen or heard from Martin Sandekenine months and five stages of matter. Shes lived through the worst of first-love heartbreak, and is most certainly stronger (and less likely to hide in science cabinets) than ever before.But now Martin is back. And he wants to be friends. But hes sending mixed signals to the Bunsen burner in Kaitlyns pants.Will Martin re-capture Kaitlyns heart? Can Kaitlyn and Martin ever be just friends? Or, despite an abundance of chemistry, are some bonds just too unstable to endure?Prsentation de l'diteurPart 3
