Description :

Prsentation de l'diteurWhen the gods of old left Earth, they united to create a new world that mirrored their past glory. Most of mankind was left behind, but some humans were chosen to serve in the City of the Gods. One of these men, DMolay, works for the ruling Council as a trusted courier. When a helpless girl under his watch is kidnapped, his efforts to recover her reveal her connection to a great beast which is ravaging the Olympian realm. His loyalty to the City is tested as his heart leads him to protect her against those who aim to exploit her powers for their own ends. Refusing to be a pawn of the gods, DMolay pits his human guile against divine authority in an adventure that culminates in a battle for his souls redemption.Prsentation de l'diteurWhen the gods of old left Earth, they united to create a new world that mirrored their past glory.
