Prsentation de l'diteurA brand-new, intensely erotic romance from a USA Today bestselling author known for her "sizzling"(Booklist) novels. Married twelve years to a man who does not desire her, Rose Clarring is dying of loneliness. She seeks the help of renowned barrister Jack Lodoun to challenge English Parliament and win her a divorce. Cynical and haunted by personal tragedy, Jack will only take the case if Rose can prove to him that there exists a passion that supersedes marital vows. And so meeting by meeting...touch by touch...the two embark on a journey of discovery that leads to intimacies neither could have imagined: sex that knows no sin; love that has no limitations; a carnal bond which heals both grief and guilt. Together Rose and Jack will explore the ultimate in pleasure, but what must they sacrifice to claim the passion they so desperately desire?Prsentation de l'diteurA brand-new, intensely erotic romance from a USA Today
