Description : Description du produitWhile in Memphis, psychic Harper Connelly senses-and finds-two bodies in a grave. One of a man centuries-dead. The other, a girl, recently deceased. Harper's investigation yields another surprise: the next morning, a third body is found-in the very same grave.

Prsentation de l'diteurPsychic sleuth Harper Connelly travels to Memphis and ends up involved in a case of murder times three in this mystery from #1 New York Times bestselling author Charlaine Harris.At the request of anthropology professor Clyde Nunley, Harper and her stepbrother Tolliver come to Memphis, Tennessee,to demonstrate her unique talentin an old cemetery. Nunley is skeptical, even after Harper sensesand findstwo bodies in the grave beneath her feet. One of a man centuries-dead. The other, a young girl, recently deceased, whom Harper had once tried, and failed, to locate. But Harpers new investigation into the crime yields yet another surprise: the next morning, a third body is foundin the very same grave...From Publishers WeeklyAt the start of Harris's winning second supernatural caper to feature Harper

Connelly (after 2005's *Grave Sight*), a skeptical anthropology professor, Clyde Nunley, tests Harper's gift of clairvoyance in a historic Memphis cemetery, where Harper correctly senses a fresh corpse in the wrong grave. Strangely, the body turns out to be a missing 12-year-old girl, Tabitha Morgenstern, whom Harper failed to locate in Nashville on a case two years earlier. The hotel suite of Harper and her manager and stepbrother, Tolliver Lang, both of whom fall under suspicion, becomes a magnet for a medley of amusing characters, including Memphis cops, Tabitha's assorted relatives and a drunken Clyde Nunley, who, shortly after accusing Harper of fraud, is found dead in the same grave as Tabitha. Peppered with the author's trademark deadpan wit, this book should help make Harper and Tolliver as popular as Sookie Stackhouse, the heroine of Harris's vampire mystery series (*Definitely Dead*, etc.). Audiofile Lightning strikes have different effects on people, and on Harper Connelly the effect is an ability to find corpses and understand how they were killed. She is invited to explore a cemetery by a Memphis college professor who believes everything related to the paranormal is a fraud. As she makes her way through the cemetery, she comes across a surprise--the body of Tabitha, a young girl she was hired to find 18 months earlier when the girl disappeared in Nashville. Alyssa Bresnahan gives a low-key performance that makes Harper a believable and sensitive character. Bresnahan's steady intensity brings the suspense to the fore without overstatement. J.E.M.
