Description : Description du produitTrophy wife Darcy McDaniel has just discovered that, thanks to her embezzling husband, her posh, upper-class life is gone for good. Now she's trading her suburban palace for a trailer park and her weekly salon appointments for a job. Darcy needs a new man--fast--one who'll keep her in the manner she darn well deserves. Problem is, the hottest prospect around is the my-way-or-the-highway hunk who's making off with her beloved Mercedes! Ex-cop turned repo man John Stark is sure that hiring the furious woman in his headlights is a colossal mistake. He knows Darcy's high-maintenance, designer-

labels-only type--after all, he's used to taking their cars. But he never expected this hellion to have the smarts and the spunk to go from receptionist to repo agent in record time...or to drive him insane with desire. She's the last thing this tall, dark, and dangerous loner needs...and everything he never knew he wanted.
