Description :

Prsentation de l'diteurDear Diary, Leukemias been my life since I was eleven. Now, six years later, I want my life back. Only Im not sure what that is. The test results came back today. 22,000. Which means Im officially out of remissionagain. I have three options:1) Another round of chemo.2) A super-new experimental drug.3) Dump it all forget the meds and treatments and enjoy the time I have left.I think I know what I want. Then, in walks Damian, changing everything.I mean, everything Hes got his own set of

issues. It binds us together, you know? We understand what its like to lose what matters most in seconds. Still, the last thing I need is to have someone else to crush if I cant fight hard enough. And the last thing he needs is someone else to grieve. Never mind. Im down to two options now. Somehow I know that whichever one I choose, the result will be the same. With the sand in my hourglass seeping to the bottom, I hope theres enough left to show Damian that lifes worth living. Worth fighting for. Worth dying for. Love Always, Kate
