Description :

Prsentation de l'diteurAnna Caldwell hadn't planned on spending her honeymoon dodging bullets in the Texas chaparral with a husband who couldn't even remember her! Or their unborn childCombat Rescue Officer Rafe McQuade had saved Anna's life, fathered the baby she carried and asked her to be his bridebut had no recollection of any of it. And unless he could unlock the secrets in his mind, rogue terrorists had no qualms about using his pregnant wife as a bargaining chip.Rafe didn't need his memory to know how much Anna - and his family - meant to him; he did need everything in his power to complete the most dangerous mission of his career. Lives, and his marriage, were on the line.Prsentation de l'diteurAnna Caldwell hadn't planned on spending her honeymoon dodging bullets in the Texas chaparral with a husband who couldn't even remember her!
