## Description :

Prsentation de l'diteur Dear A. I am writing to express my gratitude for your gift. There are no sufficient words, but please accept my sincerest thank you. Yours,R. She writes me back. I didnt expect that. She tells me shes a lover of chicken pizza and video games, a hot sorority girl with the nickname Sloth. She wants to know something about me in return. She says I owe her. This is how she saves my life. She doesnt even know it. Weve never even seen each other. But I need a reason. Just one reason to continue. She becomes mine.The anonymity is good. She doesnt need to know me, but I need her kindness. We both live our lives: a

letter here, a post card there. For three years, I escape my demons. And then one day Im pulled back in. Ive resigned myself to what I know is coming. Until the girl Im spanking gives her safe word: Sloth. And then the lie Im living starts to unravel. --Sloth is a 500-page, 150,000-word stand alone novel with many twists, one huge secret, and a non-cliffhanger ending. It will wreck you, but you'll like it. BTW: Part of the fun of reading this book is trying to guess the secret. I would appreciate it if you could avoid spoilers in reviews and review headlines, so others will be able to enjoy the guessing game.\*Sloth is part of a collection of stand-alones inspired by a sin, and centered around a terrible secret. The second stand-alone, My Heart for Yours, is inspired by the sin of murder, and is the story of Kellan's oldest brother, Barrett Drake. It's free via Kindle Unlimited and also for sale here in the Kindle Store.\*This book was updated and re-edited in fall 2017, and now includes a bonus story.Prsentation de l'diteur Dear A.
