Soldiers - Coming soon... Biographie de l'auteur Jams N. Roses is a father of one and grew up in Hertfordshire, England. He has spent a few years living on the Costa del Sol, Spain, and currently resides in Nice, France. He primarily writes novels that are steeped in crime with a psychological twist, but has a naughty sense of humor that can sneak its way into his work, so much so that his third release, Extremely England is an hilarious, satirical comedy. From the author... "I love the creation of stories, and although I spend days and weeks and months working on a plot, it's the emotions of my characters that I enjoy delving into. My first published novel, 'Get Clean', really has my heart and soul poured into it. Although I feel a bit naked by putting a story out there that contains so much of my life, I'm happy with the book, and a little proud of my first writing achievement. Also available is 'Son of a Serial Killer'. This story was born in my mind when I was going through a difficult phase in my life. I felt let down by the person closest to me, and I was angry and upset. What better way to expel those emotions than to throw them into a book? The story itself isn't based on my life like my previous novel, but the emotions captured within the pages are feelings I had to battle with for far too long. My third release, 'Extremely England', is something completely different.

It's a satirical comedy poking fun at society and the way it is portrayed by the media - I enjoyed writing something that wasn't so dark for a change if I'm honest! I am a big film fan, and would have to admit that I have an eye on the 'filmability' of my stories when writing them. One day..." **IMPORTANT NOTE FOR POTENTIAL READERS:** Books by Jams N. Roses are not family-friendly, Christian stories. If you are easily offended, hate to acknowledge that drug or alcohol abuse exists, are disgusted that sex is more than just a tool for procreation, or can't stand to read the occasional swear word, then these books are not recommended for you to read. Thank you.
