Prsentation de l'diteurStock Trading: The Definitive Beginner's Guide #### LIMITED TIME OFFER 40%

OFF ### ( Regularly priced at \$4.99 ) Discover the HUGE potential of trading stocks for profit with this short packed all-in-one comprehensive beginner's guide!In Stock Trading: The Definitive Beginner's Guide - Make Money Trading The Stock Market Like A Pro you will simply put, go through a "crash course" on stock trading. This book will teach you all you need to know before you begin trading stocks and although you won't become a superstar trader overnight (no single book can do that), it will undoubtedly supercharge your learning curve, giving you a head start on the vast majority of rookie traders out there who start trading and fail, MISERABLY! We will go through the basics of the Stock Market and you will learn 15 rules, that should you properly follow, can dramatically increase your success rate while trading stocks. If you are just starting out, it is only logical you will make some mistakes. However, some mistakes are greater than others (and more costly as well). That's why we will go through the 9 mistakes most rookie traders make and how you should go about it the RIGHT way!Stop-Loss and Stop-Limit Orders can be a great asset when used with caution and we will discuss their various benefits and risks respectively. Furthermore, you will learn the basics of Fundamental Analysis, what it is and how it is properly performed. You will also be given a checklist that will help you identify profitable stocks when performing Fundamental Analysis.Fundamental Analysis however is merely one side of the coin. The other side is known as Technical Analysis and although it can get quite complex (there's no bottom in this rabbit hole), for this beginner's guide needs, you will learn only the bare essentials you should be using while performing Technical Analysis. You will be given specific criteria that will help you identify Entry as well as Exit points. Finally, we will discuss about the use of a trading platform versus an online broker, the various things to watch out for and you will also be given specific criteria that will help you make a decision when selecting an online trading platform.Here Is A Quick Preview Of What's Inside...Stock Market Essentials15 Rules For Successful Stock Trading9 Mistakes Most Beginner Traders Make (And How To Avoid Them)The Benefits And Risks Of Stop-Loss And Stop-Limit OrdersThe Basics Of Fundamental AnalysisTechnical Analysis SimplifiedTrading Platforms Or Online BrokersThis book will not be offered at this highly discounted price forever.
