Prsentation de l'diteur\* Beautifully illustrated with delightful sketches from early editions, The Mystery of Edwin Drood is Charles Dickens' final novel - a murder mystery which remained unfinished at the time of his death, so the identity of the murderer remains open to debate. \* Just as accessible and enjoyable for today's readers as it would have been when first published over a century ago, the novel is one of the great works of English literature and continues to be widely read throughout the world.\* This meticulous digital edition from Heritage Illustrated Publishing is a faithful reproduction of the original text and is enhanced with images of classic works of art carefully selected by our team of professional editors.Prsentation de
